

Certificate of Appreciation

This certifies that, Ujjawal Garg (Enrollment No: 22803019), has been awarded this certificate in recognition for his valuable contribution as a Mentor in the Academic Session Odd 2023. Ujjawal Garg has demonstrated exemplary dedication and commitment in mentoring junior students to grasp the fundamental concepts in the subject Software Development Fundamentals-1.

Ujjawal Garg has enhanced the learning experience of their peers, fostering an environment of growth and understanding within the academic community. His willingness to share knowledge, provide assistance, and offer encouragement has been invaluable in nurturing the intellectual development of junior students.

Ujjawal Garg's passion for mentoring has not only facilitated the comprehension of complex concepts but has also inspired fellow students to strive for excellence in their academic pursuits. His selfless efforts and positive influence have made a profound impact on the educational journey of those they have mentored.

In appreciation of his mentorship and commitment to academic excellence, we extend our sincere gratitude to Ujjawal Garg and present him with this Certificate of Appreciation.
